- Rear bumper wire harness

Component position	Rear wire harness
Component name	Front passenger's seat airbag
Component code	R1
Component color	Yellow
Component system	8-channel airbag system - 2

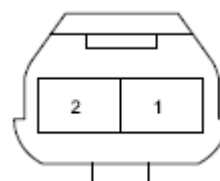

Connector List Body Rear Wire Harness

Pictures of components

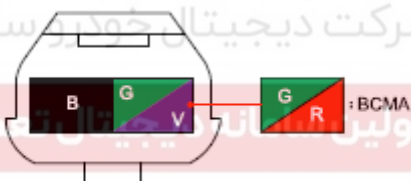

Pin S/N:

Related wire harness assembly

- Front wire harness
- Engine wire harness
- Instrument panel wire harness
- Rear wire harness
- Left front door wire harness
- Right front door wire harness
- Left rear door wire harness
- Right rear door wire harness
- Rear bumper wire harness

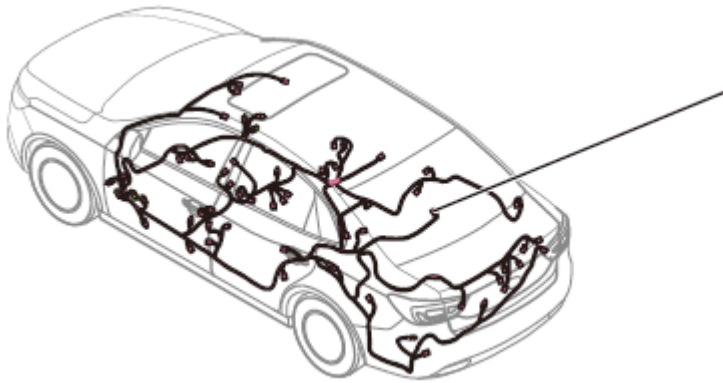

Component position	Rear wire harness
Component name	High-mounted brake lamp
Component code	R11
Component color	White
Component system	Tail lamp - basic
	BCM-1
	Tail lamp-1

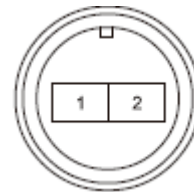

Connector List Body Rear Wire Harness

Pictures of components

Pin S/N:

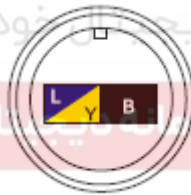

Related wire harness assembly

- Front wire harness
- Engine wire harness
- Instrument panel wire harness
- Rear wire harness
- Left front door wire harness
- Right front door wire harness
- Left rear door wire harness
- Right rear door wire harness
- Rear bumper wire harness

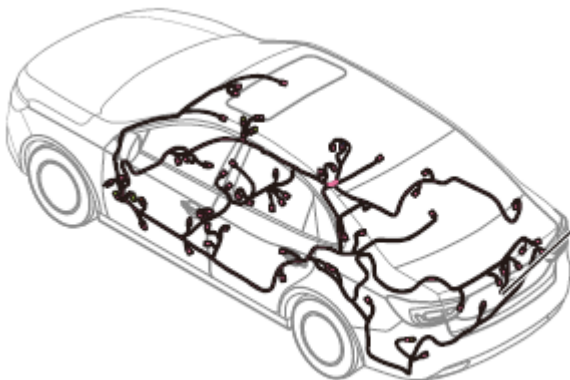

Component position	Rear wire harness
Component name	Trunk light
Component code	R14
Component color	Black
Component system	Interior lamps
	Interior trunk switch (taxi)

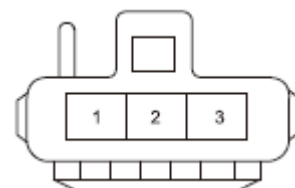

Connector List Body Rear Wire Harness

Pictures of components

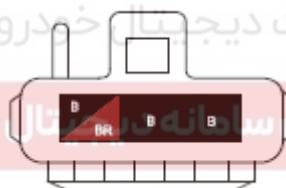

Pin S/N:

Related wire harness assembly

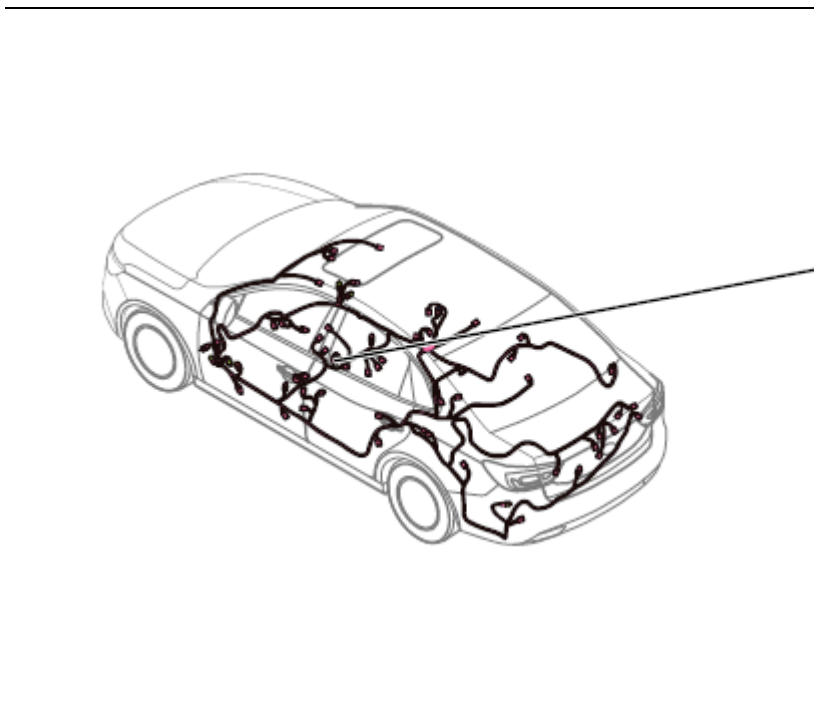

- Front wire harness
- Engine wire harness
- Instrument panel wire harness
- Rear wire harness
- Left front door wire harness
- Right front door wire harness
- Left rear door wire harness
- Right rear door wire harness
- Rear bumper wire harness

Component position	Rear wire harness
Component name	Trunk lock
Component code	R22
Component color	White
Component system	<u>Door lock control - basic BCM-1</u>
	<u>Door lock control-1</u>
	<u>Interior trunk switch (taxi)</u>

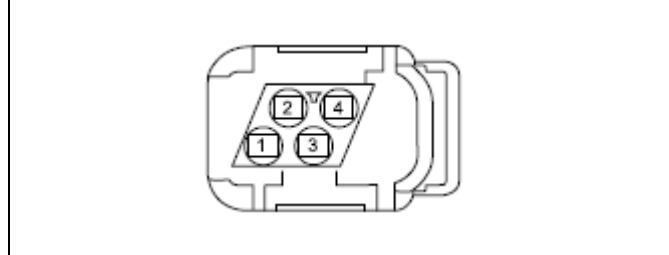

Connector List Body Rear Wire Harness

Pin S/N:

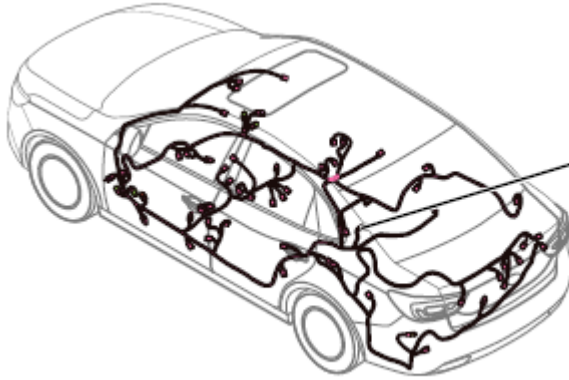

Related wire harness assembly	
	Front wire harness
	Engine wire harness
	Instrument panel wire harness
	Rear wire harness
	Left front door wire harness
	Right front door wire harness
	Left rear door wire harness
	Right rear door wire harness
	Rear bumper wire harness

Component position	Rear wire harness
Component name	Yaw angle sensor
Component code	R32
Component color	Black
Component system	ESP

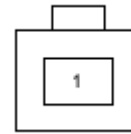

Connector List Body Rear Wire Harness

Pictures of components

Pin S/N:

Related wire harness assembly

- Front wire harness
- Engine wire harness
- Instrument panel wire harness
- Rear wire harness
- Left front door wire harness
- Right front door wire harness
- Left rear door wire harness
- Right rear door wire harness
- Rear bumper wire harness

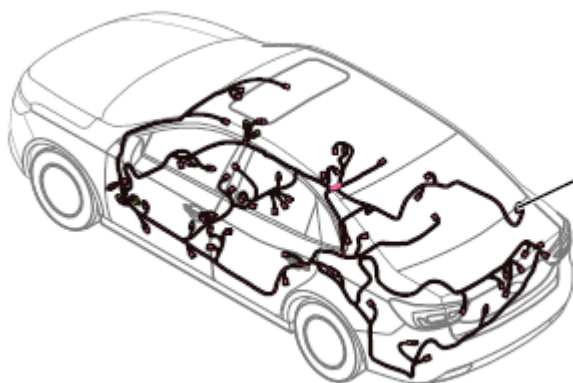

Component position	Rear wire harness
Component name	Rear windshield defroster power supply
Component code	R25
Component color	Black
Component system	Body control module - Basic BCM-2 BCM-1

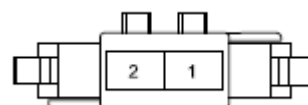

Connector List Body Rear Wire Harness

Pictures of components

Pin S/N:

Related wire harness assembly

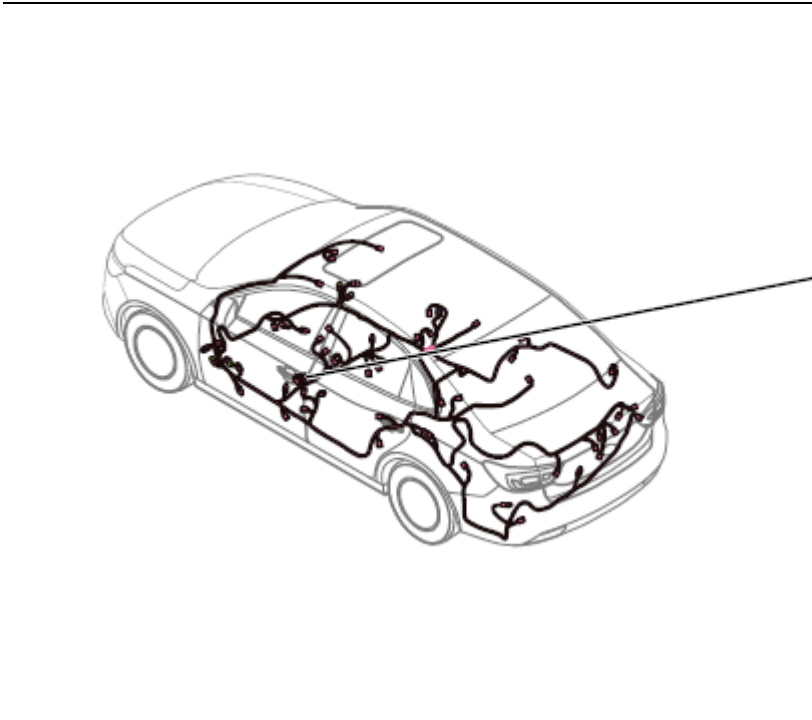

- Front wire harness
- Engine wire harness
- Instrument panel wire harness
- Rear wire harness
- Left front door wire harness
- Right front door wire harness
- Left rear door wire harness
- Right rear door wire harness
- Rear bumper wire harness

Component position	Rear wire harness
Component name	Filler cap electric locking
Component code	R15
Component color	Black
Component system	Filler cap - basic
	BCM
	Filler cap

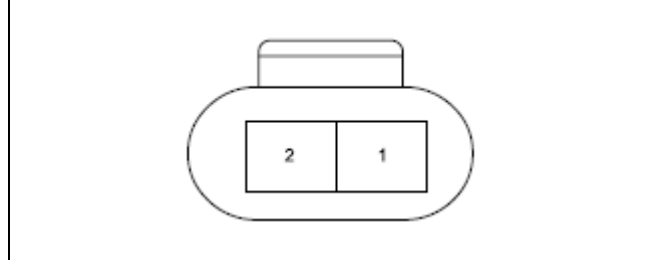

Connector List Body Rear Wire Harness

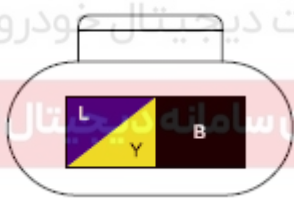

Pictures of components

Pin S/N:

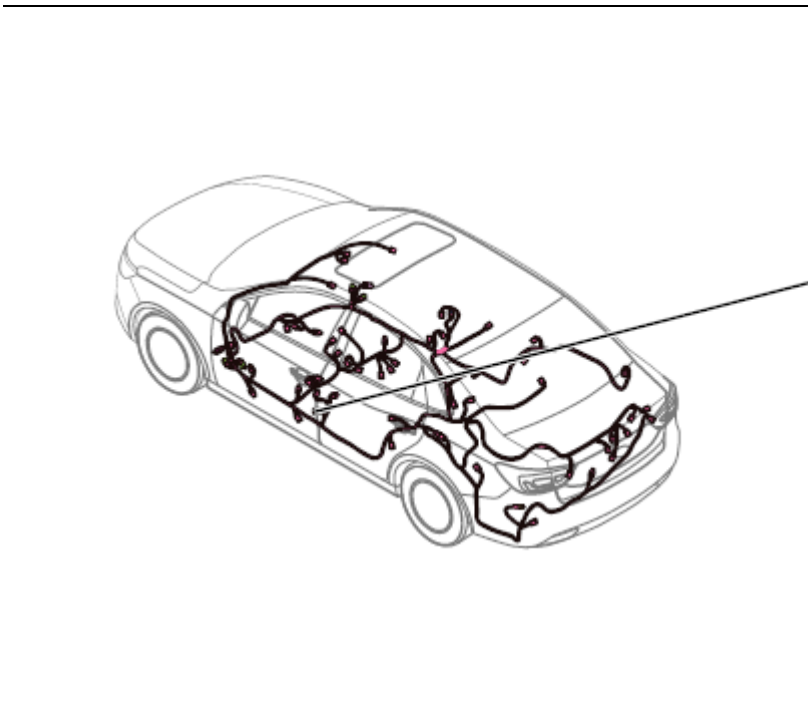

Related wire harness assembly	
	Front wire harness
	Engine wire harness
	Instrument panel wire harness
	Rear wire harness
	Left front door wire harness
	Right front door wire harness
	Left rear door wire harness
	Right rear door wire harness
	Rear bumper wire harness

Component position	Rear wire harness
Component name	Driver seat belt buckle
Component code	R35
Component color	White
Component system	4-channel airbag system
	8-channel airbag system 1

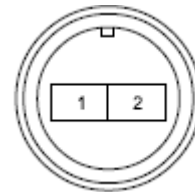

Connector List Body Rear Wire Harness

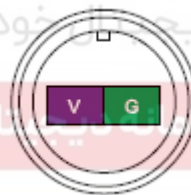

Pictures of components

Pin S/N:

Related wire harness assembly	
	Front wire harness
	Engine wire harness
	Instrument panel wire harness
	Rear wire harness
	Left front door wire harness
	Right front door wire harness
	Left rear door wire harness
	Right rear door wire harness
	Rear bumper wire harness

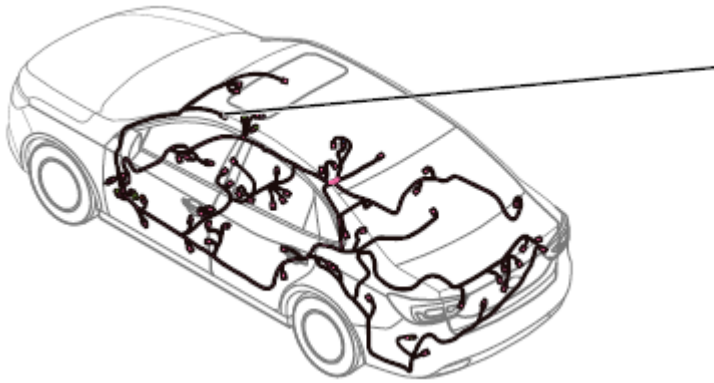

Component position	Rear wire harness
Component name	Driver seat belt pre-tensioner
Component code	R36
Component color	Yellow
Component system	4-channel airbag system
	8-channel airbag system 1

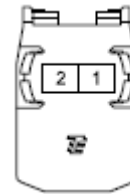

Connector List Body Rear Wire Harness

Pin S/N:

Related wire harness assembly

- Front wire harness
- Engine wire harness
- Instrument panel wire harness
- Rear wire harness
- Left front door wire harness
- Right front door wire harness
- Left rear door wire harness
- Right rear door wire harness
- Rear bumper wire harness

Component position	Rear bumper wire harness
Component name	Left reverse radar sensor
Component code	RA2
Component color	Black
Component system	Reverse radar

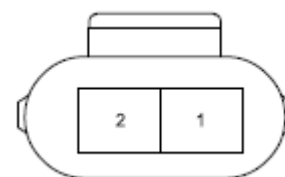

Connector List Body Rear Bumper Wire Harness

Pin S/N:

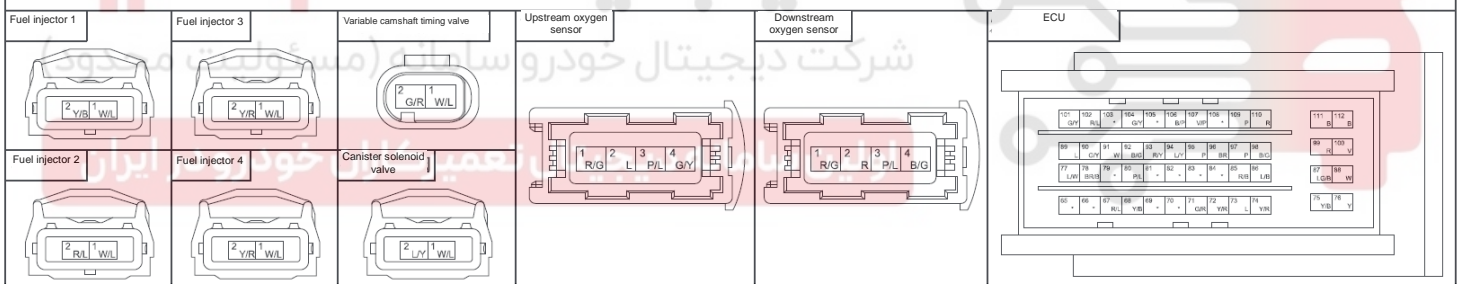

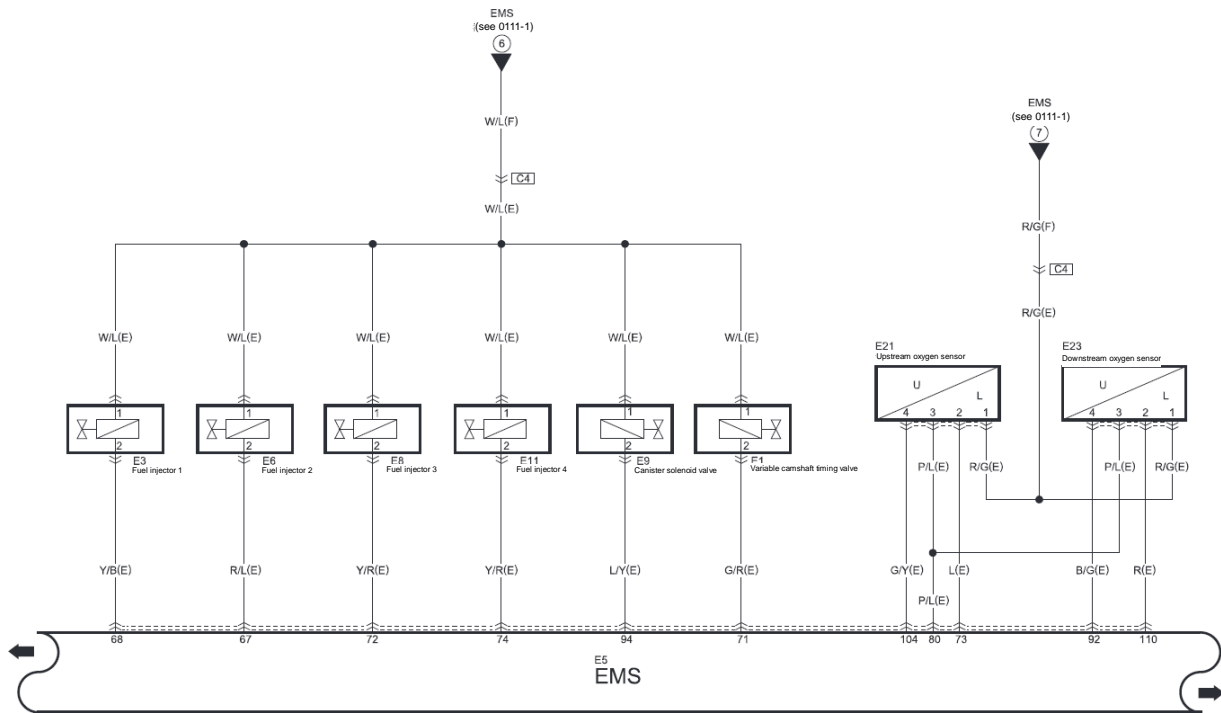

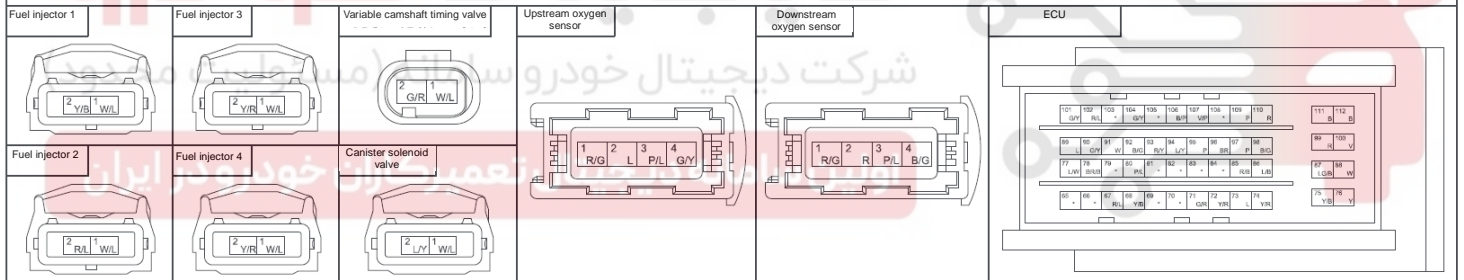

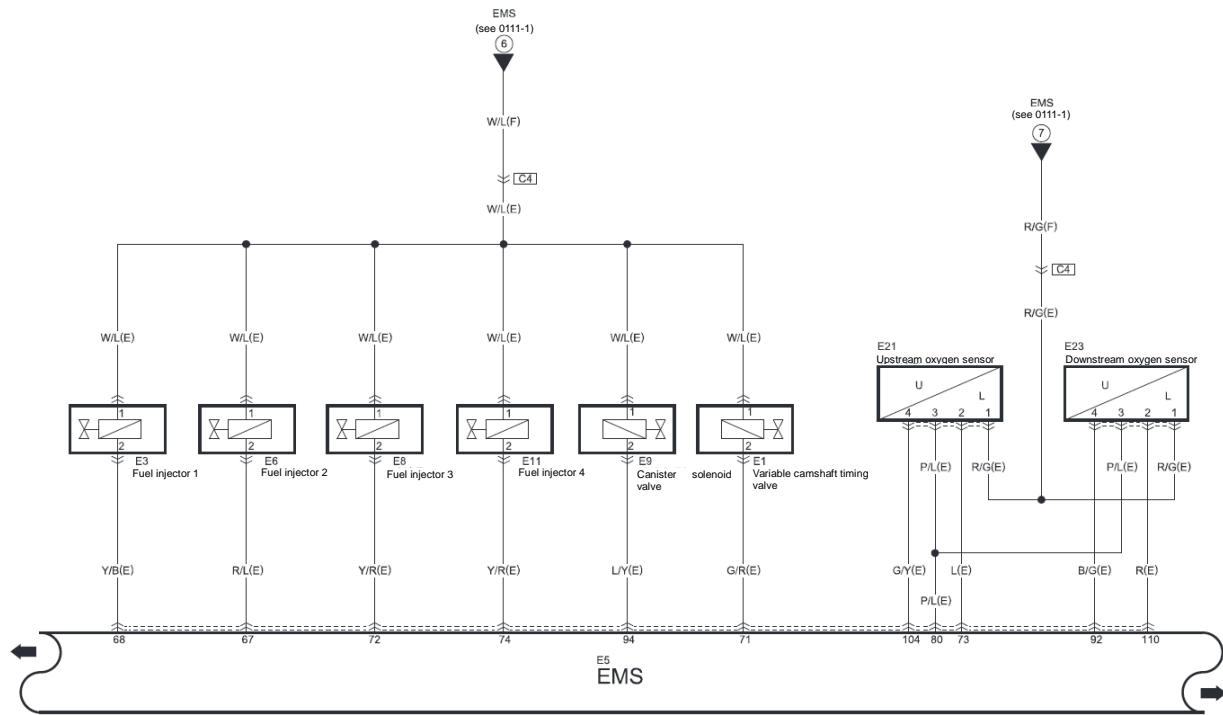

Related wire harness assembly	
	Front wire harness
	Engine wire harness
	Instrument panel wire harness
	Rear wire harness
	Left front door wire harness
	Right front door wire harness
	Left rear door wire harness
	Right rear door wire harness
	Rear bumper wire harness

Component position	Rear bumper wire harness
Component name	Left rear fog lamp
Component code	RA1
Component color	Gray
Component system	Tail lamp - basic
	BCM-2
	Tail lamp-2
